

St Saviour's

Church of England Primary School

SPRING 2 WEEK 5

Let God transform you into a new person by changing the way that you think – Romans 12:2 NLT

Dear Parents and Carers,

I hope this newsletter finds you well. It has been another tremendous week at St. Saviour's.

I would like to begin by celebrating those children who recently took part in a girl's dance competition at a local secondary school. The girls performed their own synchronised dance. The girls have been practising and refining their dance for several months now and their tenacity, their determination to improve, is an immense credit to them and the school. Mr Cooke, who has helped the girls prepare for the competition, is enormously proud of them.

Next week, we will hold parent consultations on Wednesday and Thursday evenings. If you have not done so already, I would urge you to book an appointment with your child's stream teacher(s). The meetings will be a fantastic opportunity to celebrate your child's successes and what we can do together to support them for the future. We look forward to seeing you on one of the evenings.

As a school, we do everything we can to encourage children to develop a love of reading. From our reading rich curriculum to the exciting core-texts we have chosen, we take great care – and pride – in developing a love of reading in our children. To encourage reading at home, we have launched a weekly competition in which the class with the highest percentage of regular readers earn a special prize.

The children are hugely excited about this, and a vast number are bringing their reading records in each day. We are grateful to you all for your support with this. Please continue to encourage and support your child with their reading. We are looking forward to finding out who will win next week!

Each week in the newsletter, I write about the whole school attendance for the week. Regular attendance is vitally important for children, their learning and their well-being. This week, I am thrilled to say that attendance was an outstanding 98.44% – well done everyone.

Friday 4th April will of course be the end of the Spring term. I would like to remind everyone that school dismissal will be at the earlier time of 2pm. Furthermore, there will be no Teatime Club on this day.

Finally, I would like to close with words from Corinthians: "Each one must give as he has decided in his heart, not reluctantly or under compulsion."

Best wishes,
Mr Pitchford

Y6 DANCE SHOWCASE

On Tuesday 25th March, some Year 6 girls were invited to a dance showcase to perform their best moves for several school organizers. When we arrived at Frederick Bremer, we were amazed by how big the school was—about three times the size of St Saviour's! We were escorted to our seats, and the dance company, All About Dance, introduced themselves to a large audience filled with primary schools from Reception to Year 6.

Our dance was based on the movie Barbie, which we had been practicing with Mr. Cooke. After a few schools performed, it was finally our turn. I felt especially nervous when our school was announced, but after we finished, I felt proud knowing I had achieved something in front of about a hundred children. Mr. Cooke gave us matching headbands and wristbands in Barbie colors—pink, blue, yellow, and green—as keepsakes to remember the day.

On the trip, we went to Frederick Bremer School, and when we arrived in the big hall, we sat down in the chairs. There were a lot of schools there at the dance showcase.

First, we did a warm-up before starting our showcase. After we were done, we sat down and were told that it was time for the different schools to do their dances. There were also organizers of the dance showcase there. They were the people who called out each school's name to come up and perform.

There were many schools, and we clapped for them when they performed. When it was our turn, we performed our dance in front of the whole hall.

Dear Parent / Carer,

We are very pleased to invite your child/ren to Easter 2025, Holiday, Activities & Food Programme (HAF).

The HAF programme is funded by the Department of Education which is fully jam-packed, with engaging Multisports, fun Games and enriching Activities to play, discover and enjoy. It is also a chance to try something new, learn a new skill or perfect an existing skill.

The programme dates are 7TH, 8TH, 9TH, 10TH APRIL, time is between 11.00AM - 3.00PM and is located at GEORGE MITCHELL ACADEMY, FARMER ROAD, WALTHAM FOREST, E10 5DN.

This is for both primary and secondary school pupils, who are in receipt of benefits related Free School Meals (FSM), (Entry is free, includes Lunch & healthy Snacks).

In addition, pupils not on free school meals (NFSM), are equally invited to take part but there is a daily fee to pay (fee details on booking form).

Finally, pupils aged 13 - 16 who are interested in volunteering as programme Ambassadors to gain Work Experience is welcome. To benefit from this opportunity, we would strongly encourage you to apply by visiting www.bubblesandsmiles.uk. (Entry is free: includes Lunch & healthy Snacks).

For more info / book your child/ren, kindly visit www.bubblesandsmiles.uk or contact 074 976 382 77 / info.anytimechildcare@gmail.com.
