SUMMER 2 WEEK 4

Let God transform you into a new person by changing the way that you think - Romans 12:2 NLT

Dear Parents and Carers,

This week, some of our year groups took part in workshops as part of their summer Young Transformer projects.

Y1 Robotic Workshop

On Tuesday, our Y1 classes took part in an exciting robotics workshop. They worked with 'scout' - a robot to avoid obstacles. They developed their curiosity and confidence as they worked collaboratively in groups to design, analyse and edit their robots. The classroom buzzed as the children became real engineers and applied their STEM skills to this exciting challenge!

Y6 Street Dance Workshop

On Wednesday, our Y6 pupils began their rehearsals for their end of term performance. Working all day with a dance specialist, they explored choreography that would be the most effective for their dance. They developed confidence as they learned new dance moves and performed in front of others and had opportunities to develop their creativity by adapting choreography and free-styling. We look forward to the final performance coming in a few weeks!

Dream Catchers

We are thinking ahead to September regarding after school clubs and or workshops that we would like to offer. We have reached out many times through the newsletters to see if you or anybody you know are able to offer any clubs or workshops.

If you or someone you know are interested and able to offer a service please complete this Google form and we will be in touch

<https://forms.gle/sGMBU422XKkHgFmE8>

Thank you in advance for your support.

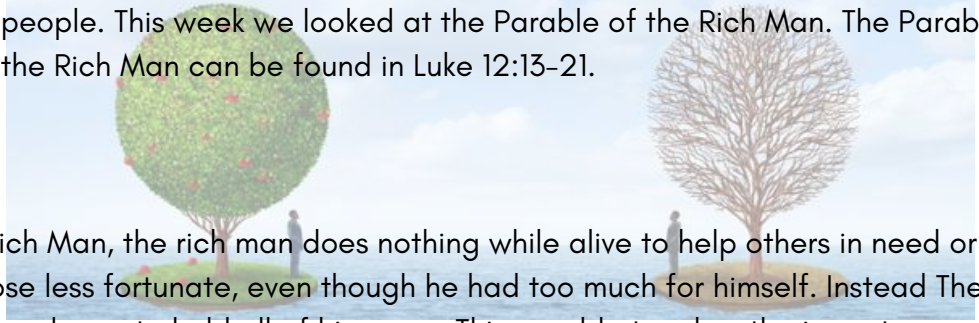

I would like to end with a quote about confidence which reminds us of the importance of having belief in ourselves and what can be achieved as a result - ***'Self confidence is a super power. Once you start to believe in yourself, magic starts happening!'***

Yours faithfully,
Miss Cherry

COLLECTIVE WORSHIP

This week in collective worship we continued to look at parables. A parable is a simple story which has a special religious or moral meaning at the end and people can learn from parables. Jesus told parables as a way of teaching people. This week we looked at the Parable of the Rich Man. The Parable of the Rich Man can be found in Luke 12:13-21.

In the Parable of the Rich Man, the rich man does nothing while alive to help others in need or to share his crops with those less fortunate, even though he had too much for himself. Instead The rich man chose to build bigger barns to hold all of his crops. This parable teaches the importance of sharing generously with those in need

What have you learnt from this parable? How can you help those in need?

CULTURAL FESTIVAL 2024

We continue to be extremely proud of being a School of Sanctuary and the work we do as a community to support those in need, particularly the collaborative achievement in sponsoring a family. We can be particularly proud of this achievement (recognised in the London Faith awards, the BBC and the interview on LBC) as this family has not had to go through a dangerous ordeal to find safety.

The Home Office has approached us to see if we would support another family who are in great need of finding a safe and lasting home and are keen to continue their collaboration with us. We are honored and delighted that the good work we have started can continue. It also means that we can further educate our children about the issues around immigration and trafficking in the hope that their knowledge enables them to be considerate, knowledgeable and compassionate humans.

This brings us to our Cultural Festival which happens every year in the summer. We ask you to join us to fundraise for the resettlement of the new family so we can find a home for them and set it up with their happiness and future prospects in mind. There will be a number of ways in which you can support this initiative and of course your participation is completely voluntary. There is no obligation on you to donate or to raise money for this cause.

Our work is guided by the love we show to others so that each of us can flourish in this life.

We are really excited to share our **Cultural Festival and World Vision** celebration will be held again this year on **Friday 19th July 2024 from 2.30pm**. We look forward to seeing you all there.

SCHOOL UNIFORM

We have sent lots of communication about school uniform, PE kits and school bags.

With only a few weeks until the end of term, please continue to support us by ensuring that your children have the correct uniform, including school shoes, PE kits and size school bag.

There are now fewer children coming to school with large backpacks and, as a result, the classrooms are becoming much safer – thank you. Unfortunately, there are still many children bringing large rucksacks into school which we are unable to store safely.

From Monday 1st July, if your child brings in a large bag, you will be asked to take it home. If your child walks to school alone or we are unable to talk to you at the school gate, they will be asked to put it in the office for safe keeping. These children will be able to collect their bags at 3:15 before dismissal. From Tuesday 2nd July, parents/carers will need to collect bags from the school office after dismissal.

Please see the most recent letter sent to all parents on Thursday 27th June for more information.
