Church of England Primary School

AUTUMN 1 WEEK 3

Let God transform you into a new person by changing the way that you think – Romans 12:2 NLT

Dear Parents and Carers,

It has been another fantastic week at St. Saviour's. The weather has been unseasonably warm, and it has given everyone at school a real spring in their step. As with last week, we have had some amazing school trips this week.

Year 2 Visit to Old MacDonald's farm

Children in year 2 had a great time at the farm on Monday. They had the chance to meet the animals, learn about life on the farm and take part in some fun activities. It was a great chance for the children to be outside and learn about a very different type of life.

Year 3 Visit to Legoland

This week, year 3 had a fantastic adventure at Legoland. They enjoyed the rides and attractions, as well, of course, as experimenting with Lego bricks. While out at lunchtime and break time, I have heard from lots of children in year 3 that they would like a return visit next term!

Today, you will have received a brochure about clubs this term. From robotics, basketball to crochet, we have an exciting array of clubs from which your child can choose. Clubs are offered on a first come, first served basis so please do not delay in completing the Google form. The office will allocate spaces next week and clubs will begin on Monday 30th September. If your child does not secure a spot this time, please know that your child will be put on the waiting list and will be given priority next term.

Attendance at St. Saviour's continues to be a priority. Thank you for your continuing support. This week the whole school attendance is 95.82%.

Finally, I would like to end this newsletter with a quote from Corinthians 16:14 "Let all that you do be in love."

Councillors

Our school is buzzing with excitement as students embrace their new roles as School Councillors, Learning Councillors, Eco Councillors, Worship Councillors, and more! These dedicated young leaders are eager to make a positive impact in our school community, each taking on responsibilities that reflect their passions and strengths. Whether they're promoting sustainability, enhancing learning experiences, or fostering a spirit of kindness and inclusivity, our councillors are ready to lead by example and contribute to the vibrant life of our school. We're incredibly proud of their commitment and look forward to seeing the great things they'll accomplish this year!

Y2 CLASS CORNER

Year 2 have come back to school and they are smashing it! They enjoyed a trip to old macdonald Farm and went on some exciting rides, while looking at some farm animals.

In Literacy we have been learning about the trickster Anansi who makes many plans to capture Anansi. We have been using coordinating conjunctions to extend our sentences and make them more exciting.

In Topic we are exploring the Continent Africa and looking at the physical and natural features. We used globes and atlases to locate different countries in Africa. We looked at Nosy be in Madagascar and Victoria falls in between Zambia and Zimbabwe.

In Ict we used an ipad to take pictures of some of minibeasts that live in outdoor areas. We identified woodlice, butterflies, ants and some spiders.
