Church of England Primary School

AUTUMN 1 WEEK 4

**Let God transform you into a new person by changing the way that you think – Romans 12:2 NLT**

Dear Parents and Carers,

It has been another exciting week at Saint Saviour's and, as ever, there is a huge amount going on.

### **Swimming**

For the past two weeks, Year 4 students have been taking swimming lessons at the Feel Good Centre. Their afternoons have been spent practicing various strokes, breathing underwater and, of course, water safety, all under the guidance of experienced instructors. The Year 4 teachers are thrilled with the children's determination and are amazed by the progress they have made during this time. A huge well done to everyone in year 4.

### **Dismissal**

I wanted to express my gratitude for your understanding as we have implemented some changes to dismissal for year 3 and year 5. These changes were made with the safety of our children in mind, and I am grateful for your understanding. Thank you again for your support and cooperation.

### **Forest School**

All classes will have the chance to engage in outdoor learning at our Forest School this term. Reception and Year 1 will continue their weekly sessions, while Years 2-6 will each have an afternoon session during the term. This will be a wonderful opportunity for students to benefit from learning in an outdoor environment.

### **Clubs**

After school clubs will begin on Monday 30th September. We are hugely excited about our offer: from robotics to fencing, from craft club to basketball, we have something for everyone. I know that the children are already excited about starting their new clubs and so are we!

### **Online safety workshop**

Finally, I am pleased to let you know that we've arranged an important Online Safety Event for both children and parents, led by the well-known online safety experts, the '2 Johns'. This event will help us all gain a better understanding of the potential risks of being online and how we can keep ourselves and our children safe in the digital world. I will write to you soon with more information on this event.

**I would like to end this newsletter with a quote from James 3:13 "Who is wise and understanding among you? Let them show it by their good life, by deeds done in the humility that comes from wisdom"**

Yours Faithfully,  
Mr Pitchford

# STARS OF THE WEEK

**Year 1**  
**Stella & Matilda**

**Year 2**  
**Suki & Oladipo**

**Year 3**  
**Stella & Isla**

**Year 4**  
**Ifeoluwa & Sid**

**Year 5**  
**Zubair & Saahir**

**Year 6**  
**Elsa & Harper**

# VALUE CARD AWARDS

Well done **Harlow, Olivier, Khaliah, Rodi, Barnaby, Sid, Zubair, Constance & Nyiarah** who have collected 5 value cards for consistently showing our school values.

## Y3 CLASS CORNER

What an exciting start to the school year we've had in year 3! After three weeks back, it's safe to say we've already packed in a lot of learning and fun.

One of the highlights so far has to be our trip to LEGOLAND, where we had an amazing time exploring the rides, building confidence and learning through play. Everyone had a blast, and it was a fantastic way to kick off the term.

In class, we've been diving into Greek myths in literacy. From the adventures of heroes like Perseus and Theseus to the mighty minotaur, we've been captivated by these ancient stories. A special shoutout to everyone who brought in their summer projects —we were blown away by the creativity and knowledge. From models to posters, every project was amazing, and they've made our classroom feel even more vibrant.

In science, we've been exploring the topic of light. We've learned how it travels, how shadows are formed, and even conducted experiments with different sources of light. The hands-on activities have been so much fun, and we've definitely sparked a love for science!

It's been a great start to the year, and we're all looking forward to the exciting weeks ahead! Keep it up.
